### SELECTION CRITERIA

The candidate's area of expertise should cover the field of operative dentistry. His/her ability to contribute to the development of research and to collaborate with researchers in different fields will also be considered.

Applicants must:

1. Have a DMD or DDS or equivalent.
2. Hold or be eligible for a license by l'*Ordre des dentistes du Québec* (ODQ).
3. Hold a graduate certificate in Operative dentistry or be inclined to obtain one.
4. Hold or commit to obtain a Master of Science degree; the candidate who holds a PhD in science will also be considered.
5. Demonstrate teaching skills **and be able to teach in French** or make arrangements to become proficient in French within reasonable time.
6. Have demonstrated pedagogical skills and an interest in research and teaching.

**Position starting date:** To be determined.

**Application deadline:** application must be received by April 2<sup>nd</sup>, 2024.

Interested candidates are invited to submit their application including: a letter of intent/motivation, a detailed curriculum vitae, and the names and contact information of three individuals who could provide references. Applications should be mailed or emailed to the Dean's Office:

Dr. Petros Papagerakis, Dean  
Faculté de médecine dentaire  
Pavillon de Médecine dentaire  
2420, rue de la Terrasse, local 1615B  
Québec (Québec) G1V 0A6  
Canada
